GENERAL MEMO

RE: MUDZINI KWETU CENTRE TRUST - RECOMMENDATION

The above named organisation, which is a charitable Trust based in Mtwapa, Bahari location of Kilifi District in Kenya, is within the jurisdiction of the Kilifi District Children's Office, which is the Kenya Government arm concerned with the welfare of children in Kenya.

My office has been working very closely with Mudzini Kwetu and is indeed happy with the commendable work being done by Mudzini Kwetu to provide care and relief to the homeless, abandoned or mistreated orphans within the District.

Mudzini Kwetu is one of the few very well run organisations concerned with children, and if maintained and supported by interested individuals and groups, may grow to assist a large number of the many suffering children in the country.

I am therefore requesting the individual and collective effort of any interested persons towards supporting Mudzini Kwetu Centre Trust in order to assist it meet the needs of any children within this District and the country.

Yours Sincerely,
